Installation

1

Go to the Chrome Web Store and install the "Pharos Chrome Print" extension - <https://i.cnu.edu/pharoschromeprint>

You must be signed in using your CNU.edu email address, personal email accounts will not work.

2

Click on the Pharos Chrome Print icon, enter "chromeprint.cnu.edu" in the URL field and press Submit. You will receive a "Configuration complete" message when it saves.

When you're ready to print, select the "CNU_PrintAnywhere" printer as your destination.

4

You may now print to the CNU Print Anywhere system any time that you are connected to CNU's wireless network.

Uninstallation

- Simply remove the "Pharos Chrome Print" extension and you're all set.
