

Duo Two-Factor Authentication Client Setup

Duo Two-Factor

1

Install the Duo Mobile app on your device. You can scan the QR codes below to quickly find the app.

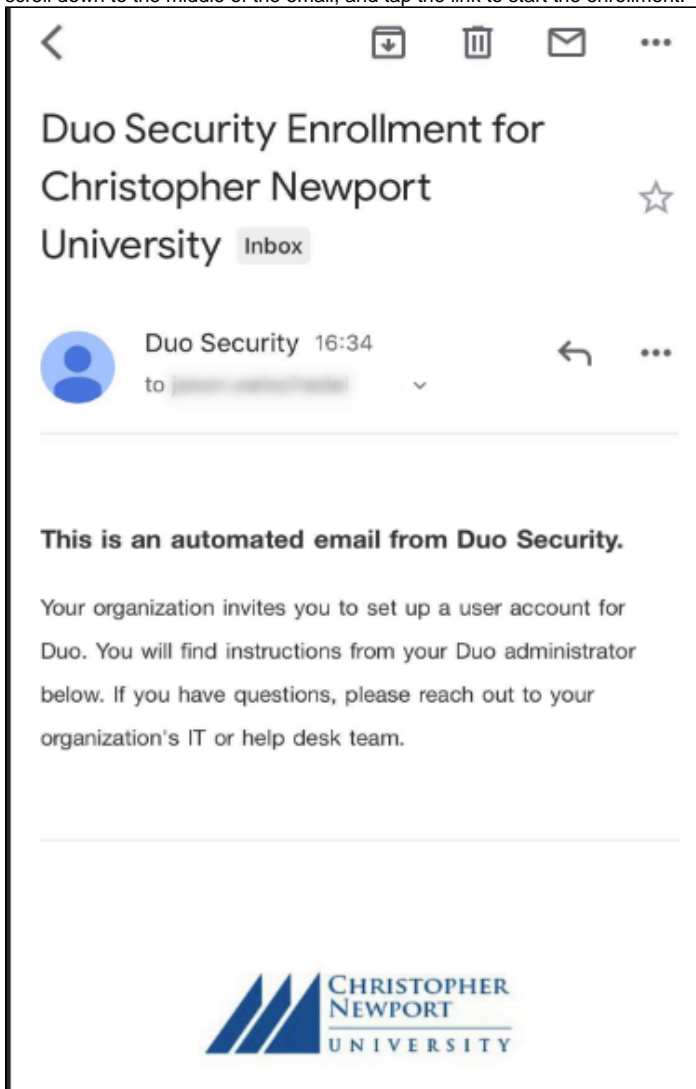

Download for Android: <https://play.google.com/store/apps/details?id=com.duosecurity.duomobile>

Download for iOS: <https://apps.apple.com/us/app/duo-mobile/id422663827>

2

IT Services will send you an email, inviting you to enroll in Duo's multi-factor authentication. Open this email on your mobile device, scroll down to the middle of the email, and tap the link to start the enrollment.

IT Services is inviting you to set up your account for Duo so you can start logging in.

To begin, click this link to enroll a phone, tablet, or other device:

[https://api-0fe004c7.duosecurity.com/portal?code=\[redacted\]](https://api-0fe004c7.duosecurity.com/portal?code=[redacted])

3

When the webpage opens, tap on the "Start setup" button, and then select to add a mobile phone and tap Continue.
